2015 MEMBERSHIP / VOLUNTEER FORM

February is AHCA membership month. Please fill in all information, requested for the directory, that you wish to have appear, even if you did it last year. And, since it is the volunteers who make our neighborhood great, please consider being one of those great people, by volunteering. Attending, participating, and volunteering are great ways to meet your neighbors and serve your community. Coordinating an event can be high quality family time. Events without sufficient volunteers may be cancelled. Your dues fund the AHCA, and your AHCA Board would like to know how to best serve your interests, demonstrated by volunteering, as we plan and budget for this year.

The benefits of membership include the possible events and items listed, plus snow removal from the streets after a heavy snow. All of these ensure a safe, well-kept, and friendly neighborhood and help to maintain our property values. The annual membership dues are still just **\$50!** Before it gets lost, please take the time now to complete your form and place it and your check, payable to AHCA, into the enclosed pre-addressed envelope and mail it, or at least by **February 28, 2015**. Please join us; we look forward to welcoming you as members this year!

DIRECTORY INFORMATION- (If you are not the homeowner, please provide non-resident owner's name, address, and phone number somewhere on this form as well.)
